Lolita suspended

NIKA ZUPANC

"Who is afraid of pink? My imagination chases female archetypes intentionally. Frivolous, even naive objects are my favorite victims. And when, during such a process, I manage to be creative in an evidently reserved way, I then touch the purest meaning of my work and frivolity becomes timeless elegance."

Detailing

The Lolita conveys a mood of understated elegance with an unmistakable hint of playfulness.

Dimmer

For fluent dimming behaviour we advise a dimmer that is compatible with the following specs.

DIMMER TYPE

Mains dimmable with compatible light source

Please note the functioning of the dimmer and the power supply combination can never be predicted, it always needs to be tested in practice.
