LIILA 1 LARGE WALL/CEILING - Optic

Design: Sofie Refer, 2018. US-model.

Liila 1 Large Wall/Ceiling in mouth blown Optic Clear glass and Nordic Gold finish.

Liila Collection has a Nordic simplistic yet sensuous look due to the fine reflections in the glass and metal. The mouth blown glass is elegantly framed by the metal disc in soft metallic finish.

While the version in Optic Clear glass creates sparkeling reflections, the version in Opal White glass completes the minimalistic Nordic look.

Liila 1 Large Wall/Ceiling works perfectly single or grouped in a decorative formation. Liila 1 also suits smaller rooms, the bathroom and the entrance hall.
