

NIVÉL TABLE

DESCRIPTION

At the intersection of functional lighting and furniture, you find Nivel. Nivel Table is an adjustable height portable lamp. Perfect for indoor or outdoor use, Nivel provides a totem to gather around. Portable and rechargeable, Nivel enables users to bring light to areas not serviced by power outlets. Its cleverly designed light module rests securely fastened around a solid wood post fastened to a powdercoated steel base for added footing. A soft ambient downward facing light panel completes the package, bringing an unobtrusive light source to your home or office space. The post is offered in both solid oak and walnut and can be paired with a powder-coated shade in White, Terracotta, Forrest Green, Slate Blue, Espresso and textured black.

FIXTURE TYPE

Portable-rechargeable

LIGHT SOURCE

Flat panel LED

LIGHT CONTROL

Capacitive touch switch
Full range dimming (100-10%)
3-stage dimming (100/40/5%)

DESCRIPTION

At the intersection of functional lighting and furniture, you find Nivel. As an adjustable height portable lamp, Nivel provides a totem to gather around. Portable and rechargeable, Nivel enables users to bring light to areas not serviced by power outlets. Its cleverly designed light module rests securely fastened around a solid wood post secured to a powder-coated steel base for added footing. A soft ambient downward facing light panel completes the package, bringing an unobtrusive light source to your home or office space. The post is offered in both solid Oak and Walnut and can be paired with a powder-coated shade in White, Terracotta, Forest Green, Slate Blue, Espresso or Black. Nivel Floor is available with an add-on low setting light module + pedestal tray combination for more light and more utility. The tray module is also height adjustable with independently activated light source and can be mixed or matched with selected upper shade color and post to compliment any space. Trays are offered in powder coated white, terra cotta, and black.
