BESPOKE

BESPOKE IS THE TRADEMARK WE STAND FOR. BOTH THE IDEA AND THE NEED OF EACH CLIENT ARE FOR US TO BE UNDERSTOOD, EMBRACED AND FULFILLED. THE APPROACH RANGES FROM CONTRACT TO PROJECT DRIVEN CUSTOMISATION, NOT EXCLUDING THE DEVELOPMENT OF UNIQUE SOLUTIONS. BOLD AS WELL AS AMBITIOUS IDEAS ARE ACHIVED THROUGH THE EXPERTISE OF A SOLID NETWORK OF ARTISANS AND PROFESSIONALS.

CONTRACT

Tailor-made approach encompassing large scale projects and installations for the world of leisure, retail and hospitality. WonderGlass' set of skills in engineering, developing and manufacturing solutions is granted to the client in order to achieve the finest glass experience.

UNIQUE SOLUTIONS

Special projects in which WonderGlass' artisans and team offer an array of different solutions: from art direction to engineering, from customised collaborations to one of a kind glass consultancy.

PROJECT

WonderGlass' products are tailored to suit different settings and environments. Our creations are displayed all over the world in different interior design projects, where bespoke systems of installation or exclusive customisations were provided to integrate the product at its best.
