EDITION

SPECIFICATION

WONDERGLASS

HORAH

by Raw Edges

Inspired by the synchronicity of an Israeli dance known as 'Horah' the London based design duo explores an ongoing theme of repetition. The curved glass leaves slowly rotate around the central light column and rays of light delicately highlight the texture cast into the leaves.

Limited Edition of 3 units per shape per colour + 2 Prototypes per colour + 2 Artist's Proof per colour.

MATERIALS

Leaves | Hand made Cast Glass

Base | Metal
